**Subject:** Final Agenda for NRC EPA DB UIC Permit Conference Call

Hi Douglas,

Please see attached the revised agenda for the Sept. 3 meeting. We appreciate the revisions you provided on Sept. 1 to the agenda. We have honored your revisions with minor text changes and some reordering of bullets under Point A in the "Items for Discussion" section. NRC also added one additional bullet to clarify a specific NRC requirement for approval of an ACL.

This agenda has been approved by our senior management as the final. We hope you will find these revisions satisfactory and can align with this final agenda.

We truly appreciate you and your staff efforts to focus this agenda on the essential issues. We look forward to a productive meeting tomorrow.

Thanks so much,  
Elise
